Opposition Bombshell is a very eye-catching horse with tremendous presence, a beautiful head and neck and a good length of rein. His paces are bold, expressive and off the ground. His temperament is superb. He is widely regarded as an improving sire. Unfortunately, as a 4yo, he injured himself in the field, and has not competed himself. Before his injury, he was proving to have a fantastic, bold and scopey jump.

His pedigree is world renowned for producing Olympic level progeny for eventing and show jumping. Opposition Bombshell is producing quality, correct conformation young stock with good powerful paces and wonderful temperaments.

He is proving to be a very good improving sire, on all types of mares, both horses and ponies to improve conformation, movement, jumping ability and is an ideal sire for producing beautifully balanced youngstock and great competition horses.

He now has achieved a leading event sire status, along with numerous progeny elite status' and higher firsts.

His eldest progeny have gone into the eventing world with much success.

Catherston Orator at 6 years old, has a very impressive event record, from 90cm- competing in her first CCI1* at Bicton in 2018, has always been clear XC!

Catherston Osiana, also has a very impressive record. In her first year eventing, she had a winning consecutive streak at 90cm. She has qualified for the Badminton Grass roots final at Badminton 2019! And took the step up to 100cm in her first year of eventing. She has huge capability, and shows so much scope, technique and talent, along with a very trainable and quick-thinking brain. She is aimed for Novice level in 2019.

Catherston Oakley, Premium graded with SHB as a 4yo. Elite graded every time shown and champion in hand sport horse. Now under saddle, he is showing such talent, with a wonderful temperament to take himself to the top of the eventing world. His first year competitively under saddle, he was reserve champ in the 4yo Qualifier for the Burghley Young event horse class. He has evented himself, along with BD and combined training. Oakley will dual discipline his 2019, both dressage, eventing and show jumping. Oakley will stand for public stud in 2020.
